5 Ingredients for Unity

Ephesians 4: 2-6

1. Paul has challenged us to live out our faith in the church in Unity. From the sermon, what is the most important ingredient for unity? In your own words, why is this the most important ingredient?

2. What does true humility look like? How does the bible describe humility?

3. By nature we are not humble. We are selfish. Why does selfishness kill church unity?

4. From the sermon, how do we practically humble ourselves? How do we have one mind in the church? How do we have the mind of Christ?

5. Paul notes that “gentleness” is the second ingredient for church unity. Describe what true gentleness looks like.

6. The world sees humility and gentleness as a weakness. Why does the world see them this way? Why are they not weaknesses?

7. Application Question: Analyze your life. What are you currently doing to unify the church? Are you valuing others above yourself? We all have room to grow in this.

   Are you currently doing anything that divides the church and needs to be corrected? Is there strife between you and someone else? Let us humble ourselves to resolve any conflict for the sake of the body and the glory of the Lord.

   Over the next week pray and ask God for an opportunity to humble yourself and serve a fellow member of the church.
