2. **Security of salvation is taught all over the bible. This teaching is also found right here in Ephesians, specifically in chapters 1-2. What does Paul teach in chapters 1-2 of Ephesians that proves the believer is secure?**

4. **Paul has been speaking about putting off the old man and putting on the new man. Put off lying, put on speaking the truth. Put off stealing, put on honest labor. In your own words, why is it so important that we do not only put off the old man, but that we actually put on the new man as well?**_____

5. We do not need to lie, steal, or be angry (for ungodly reasons), with anyone. This is especially true with our brothers

and sisters in Christ. How do we deal with sin like this in the church? What are the dangers of not dealing with it?
